This answers the question. I talked to Ann Williams briefly and she explained that Sean (on behalf of Alex) talked with Carl, Tim and Ann late Friday and gave them directions on how to revise/reorient the briefing paper. Ann developed this new briefing paper over the weekend. Tim has sent it around to the full R1/R10/HQ team and I am assuming this will be the paper everyone will be working on going forward. Also looks like the wheels are in motion to schedule a meeting with the principals for next Wednesday, 11/14, when Alex will be in HQ.

Dear ME WQS Team,

Attached as both a Word document and a SharePoint link is a restructured version of the Maine briefing paper. Ann W. pulled this together over the weekend, with some light editing from me, in response to feedback we got from our RA about conversations she had with David

F about their preferred presentation of the issues.

We were told that the goal is to finalize a paper by 11/8 to prepare for a briefing of the principals on 11/14. My understanding is that Alex has shared this draft with David in OGC and Anna in OW already and indicated to them that it seemed to be headed in the right direction, so Ann and I wanted to be sure it got into your hands as well.

I suggest we edit this on the SharePoint copy with the goal of finalizing the paper at our workgroup meeting this week. We might need a meeting sooner, perhaps on Wednesday, to sort through issues so that we are not jammed on the 8th.

Thanks, Tim
